13th June 2005

Dear Tobs,

You have a beautiful wife, a beautiful house and a beautiful country. The power of your enthusiasm for Golf in Kenya is on a par with that generated by the hordes of wildebeest that surge across the Mara in the height of the summer.

I cannot thank you and your colleagues enough for staging the most spectacular Steering Committee event ever staged – a fitting finale to the Association's mid-year congress, before the format changes to accommodate an ever-growing membership.

The business of all KGMA members will no doubt benefit directly as a result of the fam trip, and I would not be at all surprised if life-long friendships were forged between yourself and our Steering Committee members and between ourselves and Kenya.

You will gather that I think that you did a fantastic job... and I would like to thank officially all the members of the KGMA, the Kenya Tourist Board, Kenya Airways and everybody who was so kind to host us during the first week of June this year.

I look forward to seeing you again very soon, and I look forward also to my next trip to Kenya!

With my best regards,

Peter Walton
